

We are pleased to offer you the best cell phone deal around, arranged especially for Camp S'dei Chemed Int'l.

Now you can send your son off to camp, remain calm, and rest assured, knowing that you, and the camp staff, can reach him at all times. No one wants to travel without the comfort and security of a cell phone. We provide the best service available in Israel. We have reception all around the country, clear lines, great phones, excellent customer service and low rates.

- Please complete the enclosed contract and fax it to us. After receiving your contract, a customer representative will contact you to confirm your reservation within 24 - 48 hours, generally via e-mail. If you do not hear from us within this period, please call us to verify that your fax came through.
- A phone number will be sent to you approximately 1 week before your departure, to allow you time to give out the number to family and friends before you leave.
- The phones will be given out to the campers upon arrival at camp. Should it be necessary for you to have the phone before departure, please contact us to make other arrangements. The phones will be collected from the campers at the end of the summer, before departure.
- If you have any problems with your phone please do not hesitate to call us.
- If your phone is lost or stolen you must call us **immediately** to shut down the line. If you cannot get through to us, call customer service at Mirs -*3131 from any Mirs phone or 057-7575757 from any phone. Any calls made before the line is shut down will be at your expense.
- All international calls must be made by dialing 00 + country code + area code. (Ex. For the US&Canada, dial 001 + area code, England is 0044 + area code.) Calls made through other international providers have an additional surcharge per minute. Calls to 1800 numbers are charged at regular prices. We also provide a calling system which you can use for cheaper international calls- details will be provided with the phone.
- All phones are covered by our insurance plan. All repairs will be done at no charge. Insurance also covers loss, theft and irreparable damage; however a deductible of \$100 will apply. The campers must take extra care when hiking through water, as water damage is not repairable and will necessitate replacing the phone and paying the deductible. Should the phone be damaged, campers will be responsible to take the phone into one of the Networks's service centers, located all around the country, for repair. We can also arrange, in most parts of the country, for a delivery service to pick up, fix, and return the phone for a nominal fee. Please understand that due to the nature of camp, and that they are not always on premises, it may take a little longer to coordinate.

Should you have any questions, our customer service representatives are available to assist you at all times.

For Free Walkie Talkie choose option 1.

Additional Options

Option 1: Additional **\$25** will give you **1000 free walkie talkie minutes** between campers and staff (\$250 value!!).

Option 2: \$5 set up fee for a local US number to ring on your Israeli cell phone. There is a charge of \$.25 per minute for all incoming calls to this number. (There is no charge for all incoming calls on the Israeli number.) This is a great advantage to those who want to be able to reach their children from their cellphones, but do not have access to long distance calling from their cell phones.

Option 3: Individual delivery. Group delivery and pick up from the camp is **FREE!** If you need individual delivery before camp, or individual pick up after camp please note so that we can make the arrangements for you. Delivery in the US is \$11, overnight is subject to UPS charges. Delivery in Israel is \$11 in Jerusalem, \$22 anywhere else in Israel.

Billing information

Your credit card will be charged a \$50 deposit before you receive the phone. This charge will be deducted from your final bill. Should your final bill be less than \$50, you will be credited for the difference. There may be multiple charges since the camp season spans more than 1 billing cycle. You will receive an itemized bill via email detailing for you all the charges and a list of all the calls made during that period.
